CAREER INVESTIGATION

This form is designed to assist you in collecting the information you need to make an informed career decision. It will help you determine it needs to be submitted with your application 30 days prior to the start date of your program:

- What the benefits and drawbacks of an occupation are
- The opportunities for employment in the field
- If this occupation is right for you
- What type of training you need, and where it is offered

While completing this may seem a big task, you will be investing a great deal of time and effort in training so it is in your best interest to be sure this is the best choice for you, that the training will support you in following the career path that best suits you and your needs. It is possible by spending some time exploring your options that you will find an occupation you love and employment that is meaningful to you.

Completing this form is mandatory for any application for MSGC LTA Labour Market Training funding, please complete it accurately and completely, you can request assistance from you Settlement HRO or from MSSTI Central office.

Please take the time to really explore your choice and what is best for you!
